

WEST COAST HPDE TECH FORM

All cars must pass an inspection by a qualified mechanic - no self-tech.

Mechanic should check off each box and sign the form.

Tech inspection at the track is \$30.

Driver's Name: _____ Phone: _____

Car Year/Make/Model _____

Event Date: _____ Event Location _____

- ☐ **FLUIDS:** Car is free of leaks of any kind. All fluids are at proper levels including but not limited to oil, brake, clutch, radiator, power steering, and transmission
- ☐ **BRAKES:** 50% or more pad material remaining. Rotors show no damage, cracks, etc. Brake lines damage damage-free. Two brake lights fitted and in working order.
- ☐ **TIRES:** All tires no older than 5 years. Speed rating appropriate for the vehicle. No puncture repair plugs, cording, sidewall damage, or defects.
- ☐ **WHEELS:** All wheels crack and damage-free. All lug nuts present and secured at proper torque. Hub/center caps removed. No open-wheel cars accepted.
- ☐ **SUSPENSION & STEERING:** In full working order without leaks. No play in the wheel bearings.
- ☐ **BATTERY:** Securely mounted. Positive connection insulated to prevent grounding.
- ☐ **ENGINE COMPARTMENT:** Belts and hoses in good working condition. Throttle return springs in place.
- ☐ **SEAT BELTS:** Three-point stock seat belts are ok. Five-point harnesses are recommended.
- ☐ **OPEN CAR - ROLLOVER PROTECTION:** Rollbar, roll cage, or hard top fitted. (OEM roll hoops designated as roll-over protection are acceptable.)
- ☐ **FIRE EXTINGUISHER:** Securely mounted in the cabin and easily accessible to the driver is not required, but is recommended for personal safety.
- ☐ **HELMET:** SNELL SA 2010 or newer. (Events after 3/24 will require SNELL SA 2015 or newer.)
